

Sons of the Revolution

In The State of North Carolina

Topics of the SRNC Speakers Bureau

These topics are customized to the audience's age level and location. The topics can range from 15 minutes to over an hour. The speakers can arrive in the uniform of the Revolutionary War Militia or Continental Line. We have many period items for show and tell. Several of the topics have Power Point presentations to aid in the visualization and comprehension. We believe that a topic is much more effective if there are visual aids.

If we have the permission of the venue, we will bring the weapons of the Revolutionary War. If the venue is appropriate and safe, with the proper permissions, we can fire a volley with the Firelocks. This uses just powder with no projectile.
